

My Study Diary

Study site: _____

CAP-IT ID: _____

I have taken my CAP-IT study medicine!

You will be taking your study medicine two times a day for 7 days. Put a sticker on a balloon each time you take your study medicine.

How are you feeling?

Please draw a mouth on the face to tell us how you are feeling each day.

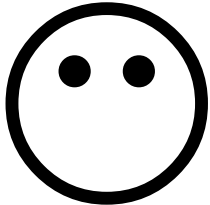

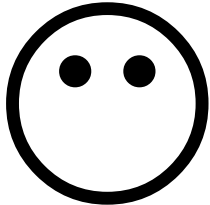

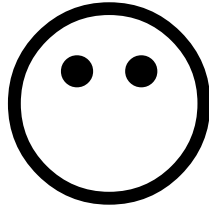

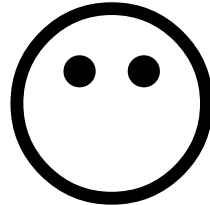

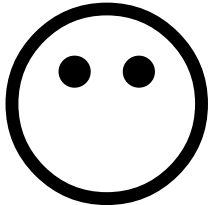

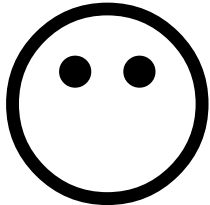

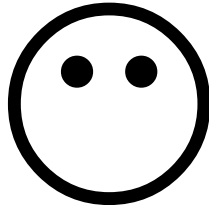

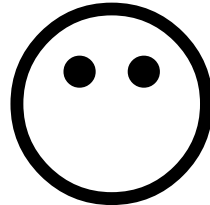

Back to normal, or

A little unwell, not quite back to normal, or

Unwell

Day 1 	Day 2 	Day 3 	Day 4 
Day 5 	Day 6 	Day 7 	Day 8 

Thank you for helping us with our important research.

Bring this diary with you when you visit the nurse and we'll give you an official certificate and some stickers for helping us with the CAP-IT study.

Well done!
